

JOB DESCRIPTION

HR Manager

Department: HR Designation: HR MANAGER

Experience: 3–8 years Salary package: 8-12 LPA

1. Description

Own end-to-end HR operations for the plant: recruitment coordination, employee records, attendance policy support, confirmations, and statutory compliance. Partner with department heads on manpower planning and keep HRMS masters accurate.

2. Roles & responsibilities

- Lead recruitment for plant and staff roles with department heads
- Own employee master data, confirmations, transfers, and exits
- Drive attendance, leave, and statutory compliance (PF, ESI, PT)
- Coach HR executives and escalate policy exceptions

3. Work / key activities

- Daily: review open positions, joining checklists, and attendance exceptions
- Weekly: manpower vs sanctioned headcount with Production and Quality
- Monthly: confirmation tracker, contractor strength, and audit files
- Systems: HRMS, biometric attendance, Excel MIS

4. Skills

- Technical: labour law basics, HRMS, Excel, recruitment process
- Soft: stakeholder management, confidentiality, conflict handling
